The New World Order Will Be A Terrible And Exceedingly Strong Beast, Having Great Iron Teeth, Eating, And Treading Down With Its Feet, The Whole World. This Beast Originally Having Ten Horns Will Grow Another Little Horn In The Midst Of The Ten, After Which Three Of The First Horns Will Be Plucked Up By Their Roots. This Little Horn Will Have Eyes Like The Eyes Of A Man, And A Mouth That Will Boast Great Things.

## The Goal Of The Illuminati Is A 'New World Order'

The Illuminati call the shots in every major upheaval that they cause.

Their sphere of activity extends over the entire globe.

Their ambition and greed for wealth and power knows no bounds.

It is also their target to depopulate the globe and maintain a much lower population compared to what we have now.

There are certain methods of subjugation and control which are indispensable to the Illuminati.

One is, of course, complete authority over all financial systems, especially borrowing and lending.

With all banks under their direct supervision.

At the highest level the World Bank decides the fate of countries.

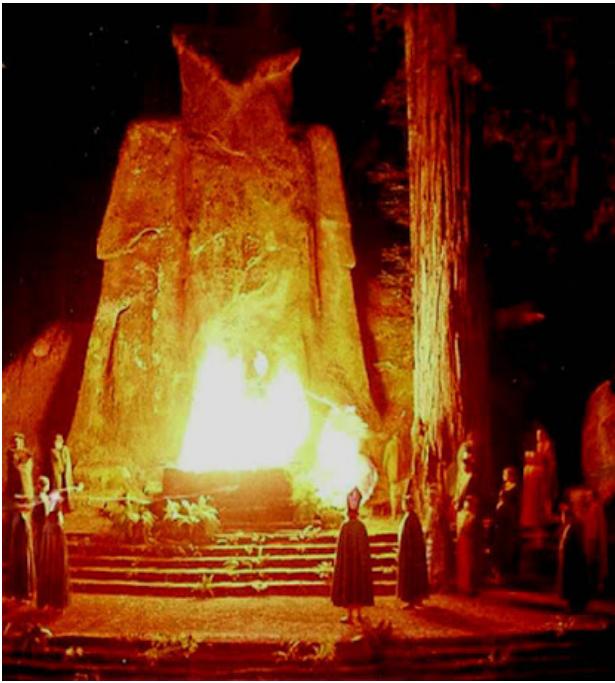

And it is an interesting and amazing fact that both the Federal Reserve Bank and the Bank of England are controlled by these Illuminati dynasties, in spite of the names of these banks.

It has been said that both Abraham Lincoln and John F. Kennedy wanted to change this system.

When A Real Power Move Is To Be Made It Will Be Done Suddenly!

for any controlled opposition, but the need for this is going to be relatively limited since there's not going to be a realistic threat to these Illuminati and their plans.

George Washington, "It is not my intention to doubt that the doctrine of the Illuminati and the principles of Jacobinism had not spread in the United States. On the contrary, no one is more satisfied of this fact than I am." This statement was made in 1798.

If you want to bring about a "New World Order", you must first crash the current system.

The Illuminati plan will not just be a collapse of the US dollar.

The Illuminati will never allow their global hegemony to be destroyed.

The expression of this global control has been the US dollar.

They will trigger a global fiat currency meltdown.

All fiat currencies will be attacked and will collapse.

The last currency to collapse will be the US dollar.

They will then bring in a One World Digital Currency under the purview of a World Government.

## The Coming Antichrist

Like Hitler the antichrist will "have a mouth that will speak very great things, and his look will be more imposing than his fellows." He will think to change times and laws and is referred to as "THE KING OF FIERCE COUNTENANCE" who shall "HAVE AN UNDERSTANDING OF DARK/OCCULT SENTENCES." Daniel 7:20, 25; 8:23

**Nazi Germany.** The mere mention of his title quickly conjures up bad memories.

It is permanently tied to the evil leader who gave us the Third Reich, the Gestapo, the Storm Troopers, the Hitler Youth, the Society of German Maidens and other despicable groups. It spurs images of World War II: the arming of 70 million troops worldwide, the death of about 17 million troops, the death of about 20 million Soviet citizens, and so many more from other nations; no one really knows how many perished.

Führer also reminds people of the swastika, goose-stepping German troops, concentration camps, death camps, the ovens of Auschwitz, the bombing of England, the ruins of Europe, famine, fire, pestilence and large national debts. It reminds people of the depraved man who touched off the world's darkest hour.

But the wicked Führer of WW II was just a forewarning of the final leader, and the disaster the first Führer caused will pale in comparison to what the Bible says the Antichrist will bring in.

John said, "And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer". Revelation 6:2 The bow was a weapon of war and a symbol of military power in John's day. The antichrist will appear with a bow in his hand, but he will have no arrows. Daniel said, "by peace shall [he] destroy many". Daniel 8:25

## The Foundations Have Been Laid A Long Time Ago

The Apotheosis of George Washington as displayed on the ceiling of the Rotunda of the Capitol Building in Washington, DC (painted by Constantino Brumidi - 1865). It depicts George Washington rising to the heavens in glory sitting on a throne as a God. Very few recognize the spiritual elements of the architecture and the symbolism of this building which literally makes it a temple of Masonic mysteries.

In order for a global "New World Order" economic system to be established with a one-world electronic currency the sovereignty of all nations must be undermined. Then, and only then, will everyone be forced to exist and live within the confines of a single global police state thereby losing our freedoms and rights as free human beings.

The ideal of a "New World Order" might never be closer than now. It may not be long before all of us experience an abrupt change in our way of living. There has been a group that consists of Masons, Jewish Bankers, and other influential wealthy individuals that has worked for a very long time through Freemasonry and the Order of the Illuminati to achieve this "New World Order". Their goal is to set up a Global Police State with a more controlled society and continuous surveillance over every citizen! First they'll destroy this present world system (Old Order) and then bring in their global government. They have everything in place and ready to go so when the time is right they will make their move without any hesitation.

## Surveillance Cameras With Computer Chips Or Smart Sensors That Predict And/Or Sense Criminal Activities, Alerts Police

With sophisticated cameras and smart sensor systems, law enforcement agencies and transportation departments across the United States are now able to proactively monitor and respond to crimes or accidents as they unfold; the sensors can also assist transportation departments in analyzing traffic patterns in real time; the system could allow officials to change one way streets, design real time traffic signals, and multiple speed limits to make traffic flow more smoothly.

The East Orange New Jersey police department was the first U.S. agency to install a Smart Imaging Sensor system as part of its broader network of security cameras around the city.

These smart sensors process images that the high-resolution cameras record in real time and can automatically detect and/or predict when a crime is occurring. When it senses something it will alert law enforcement officials instantly.

Government agencies and business around the world have already taken notice of predictive sensors.

Recently, an automated camera system called AI insight (pronounced eyesight), was installed in Boston after the 2013 marathon bombing, that monitors camera feeds in real time and alerts authorities if it spots unusual activity.

AI insight cameras use a statistical method called machine learning to learn what is normal for an area and then alerts on abnormal activity. That could be picking up anything from unusual loitering to activity occurring in restricted areas.

The card also gives access to discount parking and speedy entry into major sports venues.**

## The Rise Of The New World Order

An Egyptian Pyramid Capstone. Symbolic Of The Elite That Are Going To Rule Over Us In The NWO.

The recent history of the world is a history of conflicts between secret societies.

Established upper-class families with 'old money' have founded and finance the Bilderberg Group, Bohemian Club, Club of Rome, Council on Foreign Relations, Rhodes Trust, Skull and Bones, Trilateral Commission, and similar think tanks and private clubs.

These are the Illuminati, who plot to impose their totalitarian New World Order over us – an authoritarian world government controlled by the United Nations and a global central bank.

The whole Earth will be going through great changes soon, such as: climate changes, warfare, economic impacts, etc. All of this will work towards the fulfillment of a world government. This final kingdom or global

empire is described in the Book of Daniel in several dreams and visions.

**Fulfillment of the visions of Daniel and Nebuchadnezzar.**

**Nebuchadnezzar's Dream - (in part).**

'You looked, O king, and there before you stood a large statue--an enormous, dazzling statue, awesome in appearance. The head of the statue was made of pure gold, its chest and arms of silver, its belly and thighs of bronze, its legs of iron, its feet partly of iron and partly of baked clay.'

Daniel 2:31-32

An Egyptian Pyramid With A Capstone In Place.

In succession the Babylonians gave way to the Medo-Persians, and the Medo-Persians gave way to the Greeks, and the Greeks gave way to the Romans. It was the Romans who were in power at the time of Christ. There had been almost an unbroken sequence of world empires from Nebuchadnezzar until the time of Christ.

Nebuchadnezzar's dream indicated that one empire would be replaced by another. The iron legs, feet and toes of the statue represented the future empire of Rome. This final kingdom would come at the very end of time or end of the age!

**Daniel's Dream - (in part).**

'After that, in my vision at night I looked, and there before me was a fourth beast--terrifying and frightening and very powerful. It had large iron teeth; it crushed and devoured its victims and trampled underfoot whatever was left. It was different from all the former beasts, and it had ten horns. While I was thinking about the horns, there before me was another horn, a little one, which came up among

BAPHOMET/SATAN/LUCIFER

them; and three of the first horns were uprooted before it. This horn had eyes like the eyes of a man and a mouth that spoke boastfully.' Daniel 7:7,8

The interesting thing to notice here is that, in Nebuchadnezzar's dream, there are ten toes on the feet, and in Daniel's dream, the final form of a world government had ten horns. So the number ten is very significant in the last form of world governments which is still future.

Since the Roman Empire ceased to exist as a real empire, how many world empires have existed? There have been some serious attempts.

Charlemagne, Napoleon, and Hitler, tried to conquer their world. None of them succeeded. The Bible says there are only four of these world empires, and then a final form of the fourth one--feet made partly of iron and partly of clay. What would the iron and clay mean? It is a Revived Roman Empire--partly of the old iron of the ancient Roman empire, and partly of clay, something weaker and brittle. It would include some of the old areas, but it would not be as strong and monolithic as the old Roman Empire.

We are looking for another empire that will come out of ten nations/economic blocs and then become a world power.

## The Financial New World Order

Following the 2009 G20 summit, plans were announced for implementing the creation of a new global currency to replace the US dollar's role as the world reserve currency. Point 19 of the communiqué released by the G20 at the end of the Summit stated, "We have agreed to support a general SDR allocation which will inject \$250bn (£170bn) into the world economy and increase global liquidity." SDRs, or Special Drawing Rights, are "a synthetic paper currency issued by the International Monetary Fund." As the Telegraph reported, "the G20 leaders have activated the IMF's power to create money and begin global "quantitative easing". In doing so, they are putting a de facto world currency into play. It is outside the control of any sovereign body."

The article continued in stating that, "There is now a world currency in waiting. In time, SDRs are likely to evolve into a parking place for the foreign holdings of central banks, led by the People's Bank of China." Further, "The creation of a Financial Stability Board looks like the first step towards a global financial regulator," or, in other words, a global central bank.
